

Face Painting

GENERAL COURSE INFORMATION:

This course is designed to bring out your creative side as learning to face paint is extremely rewarding and FUN!

Face painting workshops will teach you the skills you need to paint faces for your children's parties and events.

Courses will suit Childcare professionals, Charity and Fundraising Organisation Workers & Volunteers, Social and Community workers etc.

The course is 100% practical and involves practicing designs with a professional face painter.

Includes:

- Application techniques
- Choosing right brush for the job
- Popular designs
- Health & Safety

Equipment for the workshop will be provided the and we will show you how to paint a range of face painting designs.

Courses are for: Half day or full day Workshops.
